1 The Faculty

1.1 Location

McGill University, Macdonald Campus
 21,111 Lakeshore Road
 Sainte-Anne-de-Bellevue, QC H9X 3V9
 Canada

Telephone: (514) 398-7928

Website: <http://www.macdonald.mcgill.ca>

The Faculty of Agricultural and Environmental Sciences, and the School of Dietetics and Human Nutrition, are located on the Macdonald Campus of McGill in Sainte-Anne-de-Bellevue at the western end of Montreal Island.

Served by public transport (MUCTC bus and train), it is easily reached from the McGill Downtown Campus and from Dorval International airport. A McGill intercampus shuttle bus service is also available.

1.2 Administrative Officers

DEBORAH J.I. BUSZARD, B.Sc.(Bath), Ph.D.(Lond.)

Dean, Faculty of Agricultural and Environmental

Certificate in Biotechnology. Major areas of research include the molecular biology, immunology, and population biology of parasites and their hosts and the biochemical pharmacology of antiparasite drugs. The underlying orientation of all research is to apply relevant modern biological techniques to reduce parasite transmission and to improve methods of diagnosis and control. The research background and activities of the staff encompass many
